

# Can your business survive a heart attack?

If you're the owner of a business or self-employed, a serious accident or illness could have serious financial consequences for you and your business. One way to minimise this risk is to ensure you have adequate income and business protection insurance.

For insurance advice that goes to work when you can't.

Call **Dobbrick Financial Services** today on **5482 7828**. [www.dobbrickfinancialservices.com.au](http://www.dobbrickfinancialservices.com.au)
