Our financial planning process

We follow a defined financial planning process so that you can achieve all of the benefits of financial planning advice. Of course, everyone is different, with different circumstances, needs and goals. We treat every client as an individual but by following a defined process, you will know what to expect.

The initial advice process covers our first appointment all the way through to the implementation of your financial plan. We do this by:

1. Identifying where you want to be

Initially, we help you to identify your financial and lifestyle goals. This ensures we understand your needs and you can understand what to expect from us as your wealth adviser.

2. Considering the opportunities and risks

We assess your current situation and investigate the range of financial options available for you to reach your goals.

3. Bridging the gap

Based on discussions with you and the research conducted by us, we will devise a strategy to bridge the gap between where you are now and where you want to be.

4. Bringing your plan to life

We work closely with you to implement your financial strategy. We help you complete any necessary paperwork and are available to attend meetings with your accountant, solicitor and general insurer so your strategy is implemented efficiently.

As time goes on and circumstances change, your financial plan will need to be changed to keep up to date with your changing needs. The final step in the advice process ensures your financial plan remains on track, by providing you with regular ongoing advice and service.

5. Staying on track with regular ongoing advice

Finally, we design an ongoing service programme to ensure your plan remains up to date as your life changes and so you can obtain the benefits of ongoing reliable advice.

Sometimes, life takes us in unplanned directions. When you need a little extra help on top of our initial or ongoing advice, just ask us to provide you with some additional advice. **T.I.M.E. Partners Pty Limited** are here to help you – through any changes.

Understanding T.I.M.E. Partners Pty Limited relationship with others

AMP Limited (AMP) ultimately through one of its wholly owned subsidiaries, owns 35.19% of us. They receive an additional 14.58% of our recurring revenue. AMP Limited is not entitled to a share in the profit made by T.I.M.E. Partners Pty Limited.

Additional payments to Genesys Wealth Advisers

In addition to any commissions, Genesys may also receive additional payments from product providers. These additional payments are paid out of the profits of the product provider and are not an additional charge to you.

Additional payments help Genesys invest in facilities that support its Member Firms and help wealth advisers sustain a high quality of advice to you. Without these additional payments, the fees charged to you could be significantly higher.

In some circumstances, Genesys may share these additional payments with its Member Firms. The amount received by Member Firms (if any) will vary as set out below and will be disclosed to you in your SoA.

Genesys generally receives three types of additional payments; each of these payments is treated slightly differently:

1. Additional payments from fund managers in relation to investment products (other than multi-manager funds and cash management products) and margin lending provider.

Genesys may receive additional cash payments based on total funds under management or loan amounts. The level of these payments will vary across fund managers/providers. Please note that the Member Firm does not receive any of these payments.

2. Additional payments from insurance risk partners arising from risk insurance products.

Genesys has partnered with a select number of Australia's major insurers to meet the individual needs of our clients. The additional payments will be paid according to a variety of calculation methods. In general, these payments will be based on the new business and the retention of existing business with that insurer.

3. Additional payments from investment administration platforms, multi-manager funds and cash management products.

Typically, where Genesys has a close relationship with a platform provider (for example, AXA or SOLAR Wrap, as outlined in 'Understanding Genesys' relationships with others'), or a multi-manager fund, the additional payment by that provider will be higher relative to external platforms and funds. It is important you are aware of this in light of any recommendations we may make concerning these products and services.

T.I.M.E. Partners Pty Limited share of additional incentives

Where Genesys receives additional incentives on risk insurance, platform, multi-manager funds or cash management products revenue, the Member Firm may receive a percentage of that payment, as outlined below:

Additional incentives

1. 30% of the additional payment paid to Genesys may be directed to the Member Firm. This additional payment is calculated and payable regularly.
2. If the total additional payment for risk insurance, cash management products, multi-manager funds and platforms attributed to your wealth adviser exceeds \$200,000 in a financial year, your wealth adviser will be paid an additional 6% to 20% of that additional payment.
3. If the wealth adviser remains with Genesys at 1 July 2011, the adviser will also receive up to 1.00 times the amounts detailed above in 1 and 2. ("2011 extended incentive").
4. If the Member Firm or an associate elects to participate in the Member Firm Participation Plan, they may be entitled to shares in Genesys Holdings Limited:
 - a. Based on the number of advisers in their Member Firm, and/or
 - b. If they choose to defer their 2011 extended incentive payment.

The Member Firm Participation Plan allows Member Firms or their associates to share in the growth and future prospects of Genesys Holdings Limited. Genesys Holdings Limited has established the Plan to promote a strong collaborative culture through sharing experience, innovation and skills. Further details in relation to the Member Firm Participation Plan can be provided to you by your adviser upon request.

Non-financial benefits

Genesys may also receive non-financial benefits such as attendance at training events or entertainment from some product providers at no extra cost to you. Both Genesys and your wealth adviser maintain a register in line with industry standards to document any material incentives or indirect benefits received. Genesys monitors the registers of advisers and a copy of this register can be made available to you within seven days of your request.

Genesys and your wealth adviser believe a client's interests should be placed first and that products should only be recommended because they are in your best interest.

Genesys invites a large range of product providers to exhibit at its conference, and charges them a commercial rate for exhibiting and for sending delegates.

This improves the understanding of all Genesys wealth advisers about the range of client solutions available and helps Genesys subsidise the cost of professional development. Genesys advisers pay some or all of the cost of travelling to and/or attending the Genesys annual conference.
